Yes. Let me know if he doesn't get it to you. I'm not sure if we requested an certified cost summary. If we didn't, we probably should. Consider it requested! Thanks,

Ann

Thanks. Have added to my model documents. Did you provide Kevin an electronic version of the Harbor Oil doc? It would be easier to make suggested changes electronically than on the paper version he provided.

Subject: SNL list and new labels Attorney Client Privilege

Ann, here's the table as promised, along with a new set of labels. I believe I have them all cross checked, but let me know if I am missing any.

I check again on the following companies with the Sec. of State's office and Dept of Revenue:
First Recovery and Jim Swanson Oil (both in WA)----nothing
Mr. Cee's Waste Oil Co.---nothing in Oregon.

So these guys require further investigation.

labels for SNL revised.wpd

Let me know if you need anything more right now....I'll be in all next week.
